EL COTO DE RIOJA

El Coto was founded in 1970 in Rioja Alavesa and has grown from modest beginnings into one of the best known Rioja producers.

Today El Coto has over 730 hectares of vineyard in production across the three Rioja DOCa sub-zones of Rioja Alta, Rioja Alavesa and Rioja Oriental. They also source grapes from all three areas, but mostly from Rioja Alavesa.

Head winemaker César Fernandez oversees production, starting with hand picking into 35 kilogram crates to ensure the grapes arrive at the winery in pristine condition. Modern and intelligently designed, the emphasis in the winery is on temperature control and gentle handling of the grapes.
